### **Carlisle SynTec Systems Names Tri-Star Roofing & Sheet Metal, LLC to 2017 Perfection Council**

(CARLISLE, PENNSYLVANIA) – Carlisle SynTec Systems, a leading manufacturer of single-ply roofing materials, has named Tri-Star Roofing & Sheet Metal, LLC to its 2017 Perfection Council. Selected because of their history of flawless roof installations and excellent warranty claim performance, Tri-Star Roofing & Sheet Metal is one of only 38 contractors in North America who received an invitation to Carlisle's 2017 Perfection Council.

As a Council member, Tri-Star Roofing & Sheet Metal will serve on an advisory board that helps Carlisle determine how to best support its contractors throughout the upcoming year.

"It is a pleasure to recognize contractors whose highest priority is providing exceptional workmanship on each and every roofing project," said Nick Shears, Carlisle's Executive Vice President of Sales and Marketing. "Because Tri-Star Roofing & Sheet Metal shares Carlisle's commitment to excellence, their input is invaluable in improving contractor support programs," Shears continued.

To qualify for Carlisle's Perfection Council, contractors must complete a minimum amount of warranted work and number of jobs per year. Council members are then selected based on installation quality, warranty claim performance, and commitment to ongoing training.

**About Carlisle SynTec Systems:** Carlisle SynTec Systems, headquartered in Carlisle, Pa., has been manufacturing single-ply membrane roofing systems for more than half a century. Carlisle SynTec Systems is a business segment of Carlisle Construction Materials, LLC, and has manufacturing facilities in Carlisle, Pa.; Greenville, Ill.; Senatobia, Miss.; and Tooele, Utah. For more information, call 800-479-6832 or visit [www.carlislesyntec.com](http://www.carlislesyntec.com).

## **Carlisle SynTec Systems Honors Tri-Star Roofing & Sheet Metal, LLC with 2017 Perfection Award**

(CARLISLE, PENNSYLVANIA) – Carlisle SynTec Systems, a leading manufacturer of single-ply roofing materials, recently honored Tri-Star Roofing & Sheet Metal, LLC with its 2017 Perfection Award. Each year, Carlisle presents this award to a small percentage of its top contractors.

Perfection Award winners are selected based on a history of exceptional installation quality and excellent warranty claim performance. This award is Carlisle's way to acknowledge and thank contractors for whom perfection is the highest priority.

"Carlisle appreciates contractors who are committed to providing top-quality workmanship," said Nick Shears, Carlisle's Executive Vice President of Sales and Marketing. "Contractors who receive Carlisle's Perfection Award demonstrate their dedication to excellence on each and every installation, and Tri-Star Roofing & Sheet Metal exemplifies this philosophy," Shears continued.

The Perfection Award is a distinction that recognizes the top tier of Carlisle's contractors annually. To qualify, contractors must complete a minimum amount of warranted work and number of jobs per year. Recipients are then selected based on installation quality and warranty claim performance.
